You are travelling with the intention to return to your home area within your trip dates unless an extension has been agreed with us and we have confirmed this in writing.

It is essential that you refer to the 'Important conditions relating to health' section in the policy wording as failure to comply with these conditions may jeopardise your claim or cover.

If you are travelling to Australia and you require medical treatment you should enrol with a local Medicare office.

Special conditions apply to each section of your policy – please refer to the policy wording for full details.

Your Citybond Suretravel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company.

This policy only provides cover in the event of an accident or sudden illness that requires emergency treatment. In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to your medical records and information.

There is no cover under section 2 – Emergency medical and other expenses and section 3 – Hospital benefit for claims occurring in the United Kingdom.

You have agreed that this policy, schedule and any endorsements will only be available in English and shall be governed by and construed in accordance with the law of England and Wales. Each party agrees that the courts of England and Wales shall have exclusive jurisdiction in respect of any dispute which may arise out of or in connection with this policy or any claim.

All communication relating to this policy or any claims will be in English.

Significant features and benefits

All insured persons are covered to travel independently.

Significant or unusual exclusions or limitations

The standard excesses and any increased amount you have agreed to pay will be shown within your policy wording or on the policy schedule.

Any trip that has already begun when you purchase this insurance will not be covered, except where this policy replaces or you renew an existing Citybond Suretravel Year Round policy which fell due for renewal during the trip.

General exclusions applicable to all sections of the policy

A number of sports, activities and Winter Sports are excluded – Please see paragraphs 5, 6 and 7 in the General exclusions on pages 22-23 in the policy wording.

Climbing on or jumping from vehicles, buildings or balconies regardless of the height.

You drinking too much alcohol (a blood alcohol level that exceeds 0.19% – approximately 4 pints or 4 glasses of wine) resulting in a claim.

Wilful, self inflicted injury (except where it is to save human life), suicide, drug use or solvent abuse.

Unlawful actions or any criminal proceedings brought against you (this does not apply to Section 14 – Incarceration abroad)

Travel to a country, specific area or event which the Foreign and Commonwealth Office (www.fco.gov.uk) or the World Health Organisation (www.who.int) has advised against all travel or all but essential travel (this does not apply to Section 1 – Cancellation and curtailment if the date the trip was booked or the policy was purchased before the date the advice was issued).

Health conditions

We will not pay claims if at the time of taking out this insurance and/or, for Year Round policies prior to the booking of any individual trip you;

- are receiving or waiting for hospital tests or treatment for any condition or set of symptoms that have not been diagnosed;
- are travelling against the advice of a medical practitioner or travelling to get medical treatment abroad;
- have been told about a terminal condition.

We will not pay claims if your medical condition changes between the date you bought the policy and the date you book each trip (if you have arranged a Year Round policy) unless you tell Citybond Suretravel or your issuing agent about the change in your medical condition and they accept that change for cover. If we cannot cover ALL your medical condition(s), or you do not want to pay the additional premium quoted, we will give you the choice of either:

- making a cancellation claim for any pre-booked trips; or
- continuing the policy but without cover for your medical condition(s); or
- cancelling your policy and receiving a proportionate/partial refund (provided that you have not made a claim or are about to).

Important limitations – Cancelling and cutting short your holiday

If it becomes necessary for you to curtail or cancel your trip following a serious illness or death of a close relative or business associate (both considered "the third party"), you will only be covered upon the written confirmation of the third party's medical practitioner that he/she would not have foreseen such a deterioration in his/her patient's condition at the time insurance was taken out or before your trip was booked.

For all exclusions applicable to your policy, you should also refer to the General exclusions on pages 22-23, and the exclusions within each policy section.

Returning early to your home area

We must agree for you to return to your home area (or your final country of a one-way trip) under Section 2 – Emergency medical expenses or Section 1 – Cancellation or curtailment. If we do not agree, we will not provide cover and may reduce the amount we pay you to return to your home area (or the final country of a one-way trip).

Pregnancy and childbirth

Our policies include emergency medical expenses cover for pregnancy and childbirth from 0-26 weeks inclusive for a single pregnancy and 0-19 weeks inclusive for a multiple pregnancy whilst you are away. After this, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise:

Please note we will not cover denial of boarding by your carrier so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country.

Excesses

Under most sections of this policy you have to pay the first part of any claim. This is called an excess. All excesses shown for this policy are payable by each insured person, per section and for each incident giving rise to a separate claim. This amount is shown under each of the sections where it applies. Your excess may be increased to include existing medical conditions confirmed in writing by us. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.

Important conditions relating to health

These apply to Section 1 – Cancellation and curtailment, Section 2 – Emergency medical and other expenses, Section 3 – Hospital benefit, Section 4 – Personal accident and Section 41 – Course fees.

It is very important that **you** understand that when declaring **medical conditions**, the policy requires **you** to declare **ALL medical conditions** including those shown on the accepted conditions list available online at www.healthcheck247.com

1. **You** will not be covered for **medical conditions** if **you** have not told **Healthcheck247** about them and they have not agreed to cover them in writing. **You** will also not be covered for anything that arises from, or is in any way related to, or has been triggered or caused by, a **medical condition**, unless **you** have told **Healthcheck247** about the condition/s and they have agreed to cover them and confirmed this in writing.
2. If **Healthcheck247** are unable to cover the **medical condition**, this will mean that **you** and any other person insured by **us** will not be covered for any directly related claims arising from the **medical condition**.
3. **We** will not pay any directly related claims if at the time of taking out this insurance or when booking a **trip** under a Year Round policy **you**:
 - a. have any **medical conditions** for which in the past 2 years:
 - i. **you** have had or are waiting for any consultations, investigations or follow-ups;
 - ii. **you** are having or have had treatment or prescription medication;
 - iii. **you** are on a waiting list for, or knew **you** needed surgery, inpatient treatment or tests at a hospital or clinic at the date **you** bought the policy or the date **you** book **your trip**;
 - b. have **EVER** been diagnosed with or treated for any of the following:
 - Any Heart or circulatory condition
 - A Stroke, TIA (Transient Ischaemic Attack) or High blood pressure
 - A Brain haemorrhage
 - A breathing condition (including Asthma)
 - Any type of Cancer
 - Any type of Diabetes

4. If **you** health changes after **you** purchased **your** policy but before **you** travel, **you** must tell **Healthcheck247** about these changes if because of these **you** have:
- changed **your** medication
 - seen a doctor and have seen or been referred to a consultant or specialist
 - been admitted to hospital for, or are waiting to receive treatment (including surgery, tests or investigations) or the results of tests and investigations

Healthcheck247 will then tell **you** if they can cover these **medical condition(s)** and if there is any additional premium to pay.

If **Healthcheck247** cannot cover ALL **your medical condition(s)**, or **you** do not want to pay the additional premium quoted, **we** will give **you** the choice of either:

- making a cancellation claim for any pre-booked **trips**; or
- continuing the policy but without cover for **your medical condition(s)**. **We** will cancel any applicable medical screening for this policy and **you** will receive a proportionate/partial refund (provided that **you** have not made a claim or are about to); or
- cancelling **your** policy and receiving a proportionate/partial refund (provided that **you** have not made a claim or are about to).

UNLESS

You have told **Healthcheck247** about all **your** relevant **medical conditions** and they have accepted them in writing.

You should contact **Healthcheck247** at www.healthcheck247.com or by calling **+44 (0) 333 207 0588** if:

- **you** need to declare a **medical condition**;
 - **you** are unsure whether a **medical condition** needs to be declared or not.
5. **We** will not pay any directly related claims if at the time of taking out this insurance or when booking a **trip** under a Year Round policy **you**:
- Are receiving or waiting for tests, investigations or treatment for any condition or set of symptoms that have not been diagnosed;
 - have been given a terminal prognosis by a doctor;
6. **We** will not pay any directly related claims if at any time **you**:
- travel against the advice of a **medical practitioner** or where **you** would have been advised against travel if **you** had sought their advice before beginning **your trip**;
 - incur costs for medical treatment or consultation at any medical facility during **your trip** that **you** knew would be required before travelling;
 - are travelling specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment;
 - are not taking the recommended treatment or prescribed medication for a **medical condition** as directed by a **medical practitioner**;
 - travel against health requirements stipulated by the carrier, their handling agents or any other **public transport** provider.

Please note – It is vital that **you** answer each question honestly and accurately, taking care not to make any misrepresentation of the facts, as inaccurate answers may result in **insurers** declining any claims costs that, as a result, may arise.

Important limitations – Cancelling or cutting short your holiday

If it becomes necessary for **you** to **curtail** or cancel **your trip** following a serious illness or death of a **close relative** or **business associate** (both considered “the third party”), **you** will only be covered upon the written confirmation of the third party’s **medical practitioner** that he/she would not have foreseen such a deterioration in his/her patient’s condition at the time insurance was taken out or before **your trip** was booked.

You should also refer to the General exclusions on pages 22–23.

- NEVER give your passport to a clinic or hospital
- It is not always possible to return home immediately after discharge following injury or illness. You will be able to return home when the assistance service considers it safe, in conjunction with your doctor, and airline regulations have been met. Sometimes you will need to stay in resort for a while longer before returning home so the assistance team will arrange additional accommodation for you.
- You may be required to obtain your medical records in the event of a claim.
- Your policy does not cover any claims under section 2 – Emergency medical and other expenses and section 3 – Hospital benefit within the United Kingdom.

OUT-PATIENT TREATMENT OR MINOR INJURY OR ILLNESS:

If you need to see a doctor, ask your hotel reception or tour representative for the nearest public/state medical facility. Some hotels will urge you to seek private treatment however this is not necessary as private medical facilities vary greatly and are not equipped to deal with all emergencies. They may give you unnecessary treatment and at inflated prices – if you are ever in doubt please call the assistance team for advice on where to seek treatment. In Europe you should show them your EHIC card if you are eligible to hold one, as medical treatment will be free or at a reduced cost and you will not be required to contribute towards the claim as the standard policy excess will be reduced to NIL (increased excesses applied to declared conditions will still be required to be paid, if related to the cause of you requiring medical treatment). You will only be covered for the cost of private treatment if this is approved in advance by **tifgroup-assistance**. If your outpatient bill is less than £500 then you will need to pay this to the medical facility, and ensure you keep all receipts so you can claim upon your return.

WHAT IF YOU WANT TO COME HOME EARLY?

This policy covers you to come home early because you are ill or injured only if medical treatment is not available locally. If you are thinking of cutting short your trip because you are not well then you must contact **tifgroup-assistance** on +44 (0)333 003 7155 for advice first. If you need to come home for any other reason, such as the illness of a close relative in your home area then you should make your own arrangements, bearing in mind your duty to act at all times as if uninsured.

Reciprocal health agreements with other countries

EU, EEA or Switzerland

If you are travelling to countries within the **European Union (EU)**, the **European Economic Area (EEA)** or **Switzerland** you are strongly advised to obtain an **European Health Insurance Card (EHIC)** by completing an application form via www.ehic.org.uk. You can also apply either online through www.citybond.co.uk, or by telephoning the EHIC application line on +44 (0) 300 330 1350. This will entitle you to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland.

If we agree to pay for a medical expense which has been reduced because you have used either a **European Health Insurance Card (EHIC)** or private health insurance, we will not deduct the policy excess under Section 2 – Emergency medical and other expenses.

Australia

If you need medical treatment in **Australia**, you should enrol with a local **MEDICARE** office. You do not need to enrol when you arrive, but you should do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the **MEDICARE** website on www.medicareaustralia.gov.au. Alternatively, please call the **tifgroup-assistance** helpline for guidance.

If you are admitted to hospital, you must contact the **tifgroup-assistance** helpline as soon as possible and get their authorisation in respect of any treatment NOT available under **MEDICARE**.

A note to all insured people, doctors and hospitals

This is not a private medical insurance. If you need any medical treatment, you must tell us immediately or we may not guarantee medical expenses. If you need any medical treatment, you must allow us or our representatives to see all of your medical records and information.

There is no cover for any claims under section 2 – Emergency medical and other expenses and section 3 – Hospital benefit within the **United Kingdom**.

Contact the **tifgroup-assistance** helpline on telephone number: +44 (0)333 003 7155

- a. cancellation of the trip is necessary and unavoidable or
- b. the trip is curtailed or interrupted before completion

as a result of any of the following events occurring:

1. The death, **bodily injury**, illness, disease or **complications of pregnancy and childbirth** of:
 - a. you
 - b. any person with whom you are travelling or have arranged to travel with
 - c. any person whom you have arranged to stay with
 - d. your close relative
 - e. your close business associate.
2. Compulsory quarantine, jury service attendance or being called as a witness (but not as an expert witness) at a Court of Law of you or any person who you are travelling with or have arranged to travel with.
3. **Redundancy** (provided employment has been on a continuous full time basis with the same employer for at least 24 months and qualifies for payment under current redundancy payment legislation and, at the time of booking the trip or purchasing this policy, there was no reason to believe anyone would be made redundant) of you or any person who you are travelling with, or have arranged to travel with.
4. You or any person who you are travelling with, or have arranged to travel with, are a member of the **Armed Forces**, **Territorial Army**, **Police**, **Fire**, **Nursing or Ambulance Services** or employees of a **Government Department** and have your/their authorised leave cancelled or are called up for operational reasons, provided that such cancellation or curtailment could not reasonably have been expected at the time when you purchased this insurance or at the time of booking any trip.
5. A government directive prohibiting all travel to, or recommending evacuation from, the country or area you were planning to visit or were staying in, as a result of natural disasters (such as earthquakes, fires, tsunamis, landslides, floods, hurricanes or epidemic(s) / pandemic(s)).
6. The **Police** or other authorities requesting you to stay at, or return to, your home due to serious damage to your home caused by fire, aircraft, explosion, tsunami, avalanche, hurricane, storm, flood, subsidence, fallen trees, collision by road vehicles, malicious people or theft.

Special conditions relating to claims

1. You must get (at your own expense) a medical certificate from a **medical practitioner** and the prior approval of the **tifgroup-assistance** helpline to confirm the necessity to return home prior to curtailment of the trip, due to death, **bodily injury**, illness, disease or complications arising as a direct result of pregnancy.
2. If you fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as you find out it is necessary to cancel the trip the amount we will pay will be limited to the cancellation charges that would have otherwise applied.
3. If you cancel the trip due to:

bodily injury, illness, disease, a new **medical condition** or complications arising as a direct result of pregnancy, you must provide (at your own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented you from travelling.

We need the medical certificate completed as soon as you find out it is necessary to cancel the trip, as any delay in seeing a **medical practitioner** could mean that your symptoms are no longer present. If you cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate your claim.
4. On the condition that you contact **tifgroup-assistance** first, and **tifgroup-assistance** make all the travel arrangements, we will pay necessary additional travelling costs incurred in returning you home in the event you have a valid curtailment claim.
5. We will only consider the unused expenses of a person who has taken out insurance cover with **Citybond Suretravel**. For example, if you are travelling with someone who is not insured, we only pay your proportion of costs, not theirs.

What is not covered

1. The policy excess as shown in the summary of cover for each and every claim per incident claimed for under this section by each **insured person**.
2. The cost of **your** unused original tickets where the **tifgroup-assistance** helpline or **we** have arranged and paid for **you** to come **home** following **curtailment** of the **trip**. If however **you** have not purchased a return ticket, **we** reserve the right to deduct the cost of an economy flight from any additional costs **we** have incurred which are medically necessary to repatriate **you** to **your home**.

4. Any claims arising directly from:
 - a. **Redundancy** caused by or resulting from misconduct leading to dismissal or from resignation or voluntary **redundancy** or where **you** received a warning or notification of **redundancy** before **you** purchased this insurance or at the time of booking any **trip**.
 - b. Circumstances known to **you** before **you** purchased this insurance or at the time of booking any **trip** which could reasonably have been expected to lead to cancellation or **curtailment** of the **trip**.
5. Travel tickets paid for using any airline mileage or supermarket reward scheme, for example Air Miles or Avios points, unless evidence of specific monetary value can be provided.
6. Accommodation costs paid for using any timeshare, holiday property bond or other holiday points scheme.
7. The cost of going back to the original destination to finish **your trip** and the costs of more accommodation there.
8. The provider (for example, an airline, hotel, ferry company and so on) not providing any part of the **trip you** have booked, (this could be a service or transport) unless the event is covered by this policy. If this happens, **you** should claim against the provider.
9. Any claims arising from pregnancy and/or childbirth if **you** have experienced any pregnancy complications prior to purchasing **your** policy.
10. Any claims arising from pregnancy and/or childbirth where **you** were over 26 weeks for a single pregnancy, or over 19 weeks for a multiple pregnancy.
